Be a part of this “Legendary” fundraising event.

It’s as easy as eating breakfast, lunch or dinner. In fact, your school will earn 10% of all your families’ guest checks each time you dine!

And it gets even better.... once a month is “**Whited Day**”.

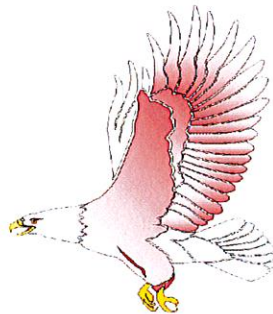

Whited will earn 20% on all your guest checks on the **3rd Sunday** of every month. This could amount to hundreds of dollars each month coming back to your school through the Rincon Valley Education Foundation.

Enjoy some great food for a great cause.
